Peso máximo suportado distribuído
Maximum weight supported distributed
Peso máximo admitido distribuido

Cuidado! Não exceda os limites máximos de peso. Isso pode resultar em danos, ferimentos graves ou morte. Todos os pesos são baseados em uma carga igualmente distribuída.

Caution! Do not exceed the maximum weight limitations. Doing so can result in damage, series injury, or death. All eights based on an equally distributed load.

Precaución! No supere el limite de peso máximo. Si lo hace podría sufrir daños, lesiones graves o causar la muerte. Todo el peso está calculado conforme a una carga distribuida uniformemente.
